

January 7<sup>th</sup> 1934  
Auckland Castle,  
Bishop Auckland.

My dear Harold.

I was very pleased  
to receive your letter with its  
freight of good wishes for  
Christmas & the New Year.

It hardly needs saying that  
I reciprocate these heartily.

May God bless you and  
yours in the Year which is  
now well advanced on its  
course! We are  
much interested in hearing

of your projected visit to Europe. You will, of course, come here, and make as much use of us as you can. We shall be glad at last to have the opportunity of meeting your wife.

It is certainly the case that I take a very unfavourable view of the Group movement, and that the more I hear about it, the less I like it.

The Charge which I delivered  
last December set out my  
opinion fully enough: &  
to the 2<sup>d</sup> Edition, of which  
I send you a copy. I  
have added a new preface,  
which will give you my  
latest views. America  
is prolific of these "stunt"  
religious movements, and  
how deeply unsatisfactory  
they are may, perhaps,  
be sufficiently shown

by the low moral standard  
of the American population.

We are trying to believe  
that the long lane of  
industrial depression has at  
last reached a turning, and  
that this New Year will witness  
a real return of prosperity.

But the evidences of our faith  
are not very convincing!

With all good wishes.

Yours affect<sup>ly</sup> Uncle,  
Herbert Dunham;

Harold Henson Esq
